BACK ARTWORK - EYE & CELESTIAL MARKS

Reference crop and visual tracing outline; the quote is shown separately on page 4.

REFERENCE DETAIL

OUTLINE TRACE GUIDE

ARTWORK NOTES

VISIBLE ELEMENTS IN THE REFERENCE

01 Main eye

Layered eye shape with charcoal/grey interior and off-white highlights.

02 Red compass cross

Long vertical axis with intersecting red diagonal/side rays across the eye.

03 Outer stitch marks

Short red and ivory sketch-like rays around the upper and lower eye edges.

04 Celestial accents

Small four-point stars, tiny dots, and a crescent below the eye.

05 Quote is separate

The exact two-line quote, divider and lower four-point star are documented on page 4.

Thread colors: red, off-white/ivory, light grey; black fabric is negative space. Suggested back-eye sample target only: approx. 230-260 mm wide x 180-210 mm high, excluding quote; the reference photo has no physical scale, so confirm on the garment sample.

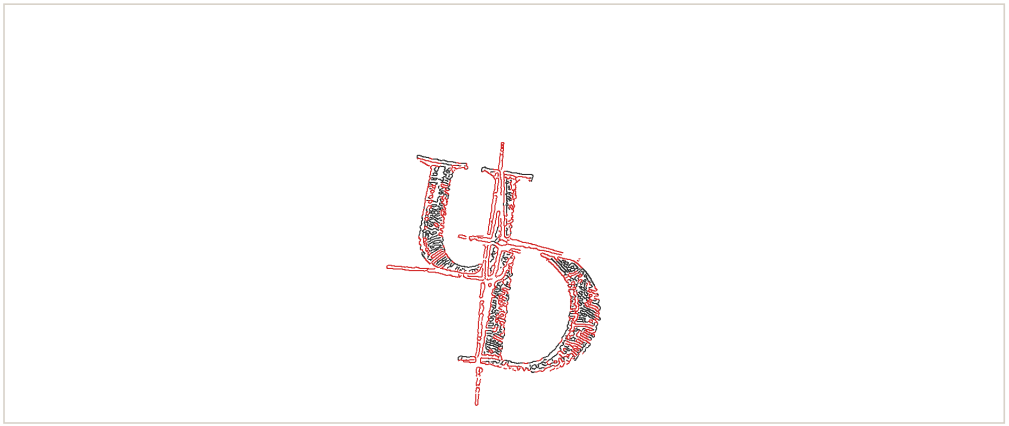

FRONT LOGO + SLEEVE STAR

Only the two existing marks shown in your reference. No new design elements added.

FRONT CHEST - UD MONOGRAM

SOURCE CROP

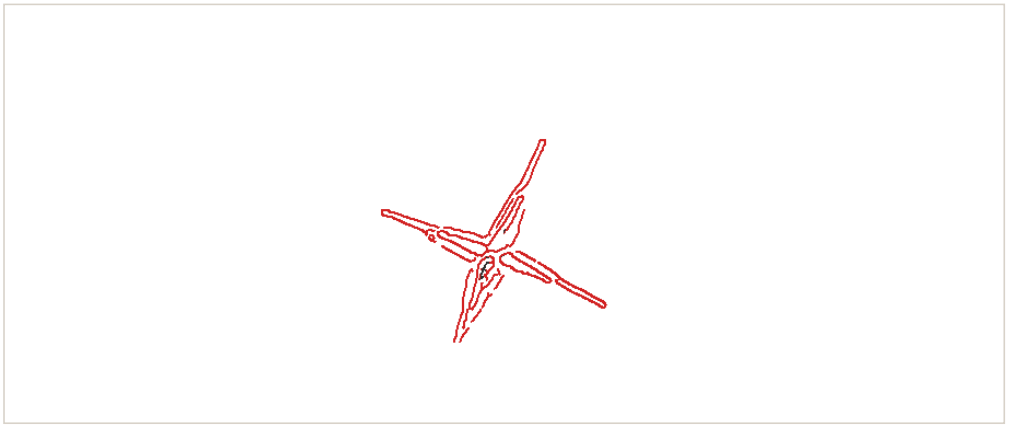

OUTLINE GUIDE

Interlocked UD mark; off-white/ivory letter fill with the red vertical and horizontal crossing strokes visible in the reference.

SLEEVE - FOUR-POINT STAR

SOURCE CROP

OUTLINE GUIDE

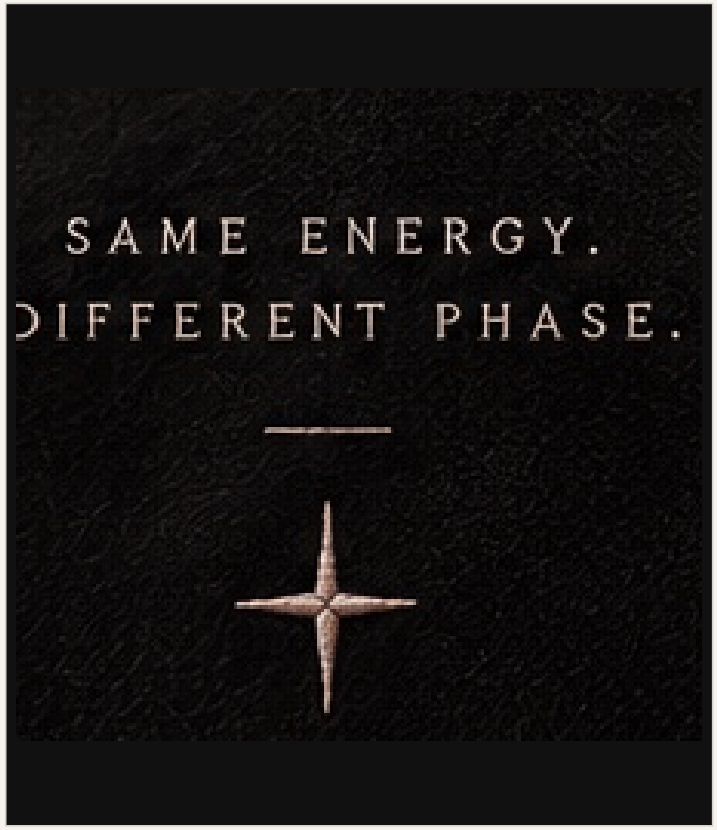

Small four-point star near the sleeve hem; off-white center/highlight and red outline/accent strokes.

Suggested sample sizing only: chest UD logo about 40-45 mm wide; sleeve star about 18-20 mm. The reference photo contains no physical scale, so confirm on the actual garment before digitizing.

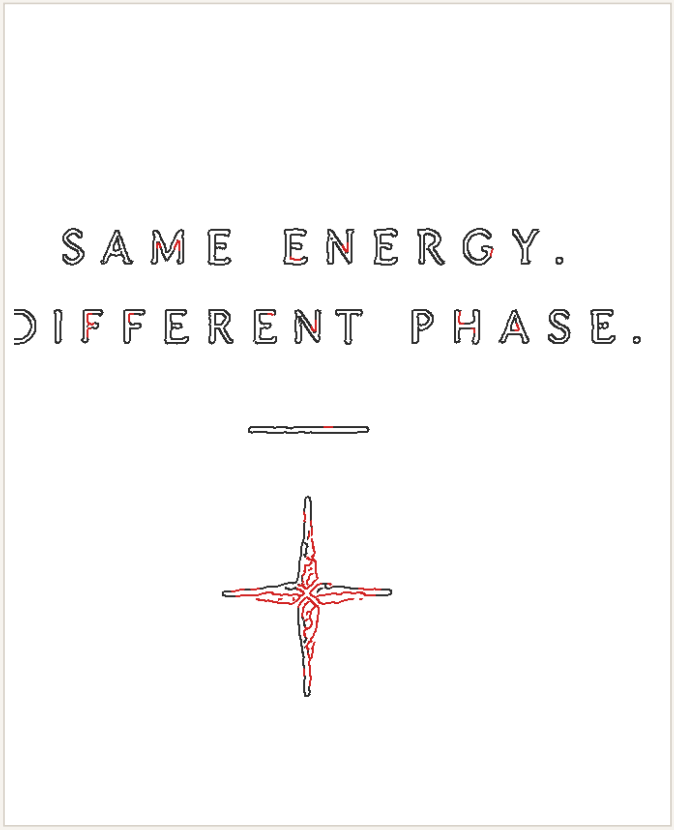

QUOTE + PLACEMENT REFERENCE

Wording and positioning follow the supplied black T-shirt photo.

QUOTE OUTLINE GUIDE

GARMENT + PLACEMENT

MATCH THE PHOTO

GARMENT

Washed black oversized T-shirt; 280 GSM cotton / premium oversized fit as stated in the reference.

FRONT

UD monogram at left chest. Keep the small red cross strokes integrated with the ivory logo.

SLEEVE

Four-point star near the sleeve hem.

BACK

Large centered eye artwork. Red compass axis overlays the eye; grey/off-white eye detail with red and ivory sketch marks, small stars and crescent.

QUOTE

Two lines centered directly below the eye: SAME ENERGY. / DIFFERENT PHASE. Add the short horizontal line and small four-point star beneath, as shown.

THREAD PALETTE

Red; off-white/ivory; light grey. Black garment is not a thread color.

Sample targets only - not measured dimensions: back eye approx. 230-260 mm W x 180-210 mm H; complete back composition with quote/lower star approx. 250-260 mm W x 260-290 mm H; quote approx. 95-110 mm wide; confirm all sizes on a physical garment. These outlines are tracing guides, not digitized machine files; stitch sequence, density, underlay and pull compensation must be set in embroidery software.

UP N DOWN — STANDARD NECK LABEL

Simple internal brand label specification • No reference photo

LABEL CONTENT

UP N DOWN
SIZE: M

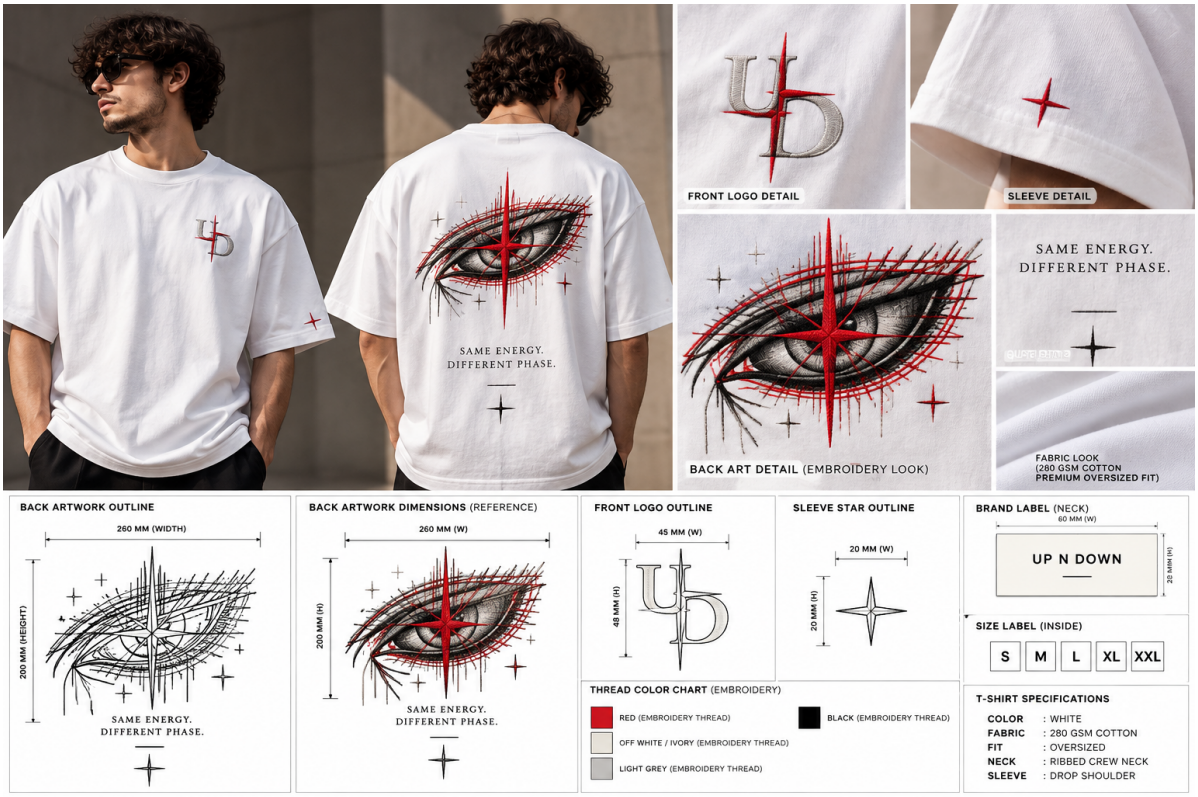

SPECIFICATIONS

Label type	Standard printed neck label or simple woven label
Brand text	UP N DOWN — use the letter N; do not write “UP AND DOWN”
Suggested size	60 mm wide × 25 mm high (confirm with supplier/sample)
Appearance	Plain black text on a white or warm ivory background; no decorative border, no reference-photo artwork
Size marking	Use a separate size tab or print the correct size for each garment: S, M, L, XL, XXL
Placement	Centered inside the back neck, below the collar seam
Care label	Keep composition and washing instructions on a separate inside side-seam label

This page replaces the previous neck-label reference-photo page. The photo has not been included. The label dimensions are proposed starting measurements, not verified from the reference.

UP N DOWN — WHITE T-SHIRT VERSION

Same artwork and placement • White oversized T-shirt • Red, grey and dark thread contrast

WHITE T-SHIRT EMBROIDERY SPECIFICATION

Element	White version details
Back eye artwork	260 mm W × 200 mm H (suggested) — centered upper back; verify hoop capability and sew-out.
Quote	“SAME ENERGY. DIFFERENT PHASE.” — suggested 100–120 mm wide, small lettering beneath back artwork; test readability.
Front UD logo	45 mm W × 48 mm H (suggested) — left chest, ivory/grey with red accent line.
Sleeve star	20 mm × 20 mm (suggested) — red thread at sleeve hem area.
Back artwork threads	Red for central compass/star lines; dark charcoal/black and medium grey for eye outlines and shading; optional muted grey highlights.
Fabric / fit	White, 280 GSM cotton jersey; oversized, drop shoulder; ribbed crew neck (specification based on design brief).
Label	Standard neck label page retained in original PDF: plain UP N DOWN, size marking S/M/L/XL/XXL; no reference label photo.

Note: The visual mockup is a concept reference. Dimensions are proposed starting values, not scale measurements extracted from the image. The artwork must be digitized and test-stitched before Tajima production; this PDF does not contain a machine-ready DST file.
